

SUMMIT DOORS

2021 EDITION

Decorative

An assortment of different textures and colours combined to create beautiful glass designs.

Wrought Iron

Solid steel bars are welded and bent to create elegant glass designs.

Exclusive

A fusion of stained glass and wrought iron. Exclusive to us.

Door Systems

Putting it all together. Hospitality starts at your front door — let us help.

Table of Contents

Disclaimer: The availability of our designs are subject to change without notice. Ask your local contractor for availability and pricing. Designs and colours are subject to change without notice. Pictures may not appear exactly as shown in the catalogue due to lighting, printing and angles. All of our designs are handcrafted with precision & care. Each piece will slightly vary in texture and colour.

**Turn your house
into a home**

Be Bold.
Be Daring.
Be You.

A modern building entrance featuring a light-colored wood-paneled wall on the left and a large glass door on the right. The door has a vertical glass insert and a silver handle. Above the door is a balcony with a dark railing. The sky and trees are reflected in the glass. The text "There is no limit to the creation of your door" is overlaid on the wood paneling.

**There is no
limit to the
creation of
your door**
